Disney International Labor Standards Group

CORRECTIVE ACTION PLAN ACKNOWLEDGEMENT REPORT

The Corrective Action Plan Acknowledgement Report (CAPAR) will be used to summarize the preliminary facility audit findings and a draft corrective action plan that both the auditor and the facility representative believe is reasonable to ensure conformity with the Disney Code of Conduct for Manufacturers (Disney Code of Conduct) and applicable local laws.

The form should be used in the following manner:

- Document preliminary facility audit findings on the form below prior to the closing meeting;
- Then use the form as an agenda during the closing meeting;
- During the closing meeting, explain the preliminary facility audit findings with the facility representative;
- Document the corrective action plan;
- Both auditor and facility representative should sign and date the form.

Please leave one copy of the CAPAR with the facility representative and retain one copy with the working papers.

Facility Name PT Haeng Nam Sejahtera Indonesia D.B.A / A.K.A	Facility ID FAC-002111

Start time of audit 09:30	End time of audit 17:00		

AR - Age Requirement HS - Health & Safety OL - Other Laws
AS - Association IL - Involuntary Labor PE - Protection of the Environment
CH - Coercion & Harassment MC - Monitoring & Compliance PU - Publication
CO - Compensation ND - Non-Discrimination SUB - Subcontracting

HS	Other: A valid building inspection report and/or certificate for completed construction projects are not provided for review. Based on document review and management interview, it was noted that the facility did not obtain a Certificate of Building Fitness (Sertifikat SLF). According to management, the facility has appointed an agency consultant in this regard, hence, the certification process is still on going. Applicable law: Int. Auditor Int. Facility Rep.
----	---

Disney International Labor Standards Group

Government Regulation No. 16 on Buildings (2021), Art. 274 (2).	
HS	Dormitories: Dormitories are not separated by gender. Based on facility tour and management information, it is observed that dormitory does not separated by gender. There are 11 of total 12 rooms in the dormitory occupied by 6 males and 5 females which all from management level. Code of Conduct: Manufacturers will provide employees with a safe and healthy workplace in compliance with all applicable laws and regulations, ensuring at a minimum reasonable access to potable water and sanitary facilities; fire safety; and adequate lighting and ventilation. Manufacturers will also ensure that the same standards of health and safety are applied in any housing that they provide for employees.
HS	Other: Handrails/Safety guardrails are not installed or at the correct height as required. Based on facility tour, it is observed that 1 of 2 emergency stairs in finished goods area does not equipped with handrails/safety guardrails. Code of Conduct: Manufacturers will provide employees with a safe and healthy workplace in compliance with all applicable laws and regulations, ensuring at a minimum reasonable access to potable water and sanitary facilities; fire safety; and adequate lighting and ventilation. Manufacturers will also ensure that the same standards of health and safety are applied in any housing that they provide for employees.
SUB	Auditors confirmed that PT Haeng Nam Sejahtera Indonesia does not produce Disney-branded products from or to any facility within past 12 months.

A closing meeting has been performed. The above preliminary facility audit findings were discussed and a draft corrective action plan was explained to the facility representative. Please note that while all preliminary facility audit findings are subject to a final review process, and it is possible further updates to these preliminary facility audit findings may be necessary, the facility is responsible for and expected to take immediate corrective actions of the preliminary facility audit findings.

The facility should contact the customer who contracted with the facility for Disney-branded production for the final version of the Corrective Action Plan letter to ensure that all issues are promptly identified and addressed. Continued finding of nonconformity with the Disney Code of Conduct and applicable local laws may lead to termination of the facility for all Disney production.

The signatures below reflect that the auditor has explained the preliminary facility audit findings to the facility representative.
